MOH 731-6 Medically Assisted Therapy (MAT) REVISION September 2023

1.0 EVER INDUCTED	
Number Ever inducted on_MAT	Enter the number of clients ever inducted in this MAT centre up to the end of the reporting period
Total Number of MAT Clients Ever Weaned off MAT	Enter the number of clients ever weaned off MAT centre up to the end of the reporting period
1.1. MAT INDUCTION WITHIN THE REPORTING PERIOD	
Number Newly inducted on MAT in the Reporting Period 15 - 19 Years	Enter the number of clients newly inducted on MAT in the reporting Period both Buprenorphine and Methadone
Number Newly inducted on MAT in the Reporting Period 20 - 24 Years	
Number Newly inducted on MAT in the Reporting Period 25 - 29 Years	
Number Newly inducted on MAT in the Reporting Period 30+ Years	
1.2 Currently on MAT Methadone	
MAT06-19 Number Currently on Methadone 15 - 19 Years	Enter the number of clients—by sex — who received Methadone at any time during the reporting period. Exclude any clients who missed 5 or more doses consecutively.
MAT06-20 Number Currently on Methadone 20 - 24 Years	
MAT06-21 Number Currently on Methadone 25 - 29 Years	
MAT06-22 Number Currently on Methadone 30+ Years	
1.3 Currently on MAT(Buprenorphine)	
MAT06-27 Number Currently on Buprenorphine 15 - 19 Years	Enter the number of clients—by sex — who received Buprenorphine at any time during the reporting period.
MAT06-28 Number Currently on Buprenorphine 20 - 24 Years	
MAT06-29 Number Currently on Buprenorphine 25 - 29 Years	
MAT06-30 Number Currently on Buprenorphine 30+ Years	
1.4 WEANING OFF	
Number of Clients Weaned off Buprenorphine	Enter Number of Clients Weaned off Buprenorphine in the Reporting Period
Number of Clients Weaned off Methadone	Enter Number of Clients Weaned off Buprenorphine in the Reporting Period
1.5 MAT INTERRUPTIONS	
Number of Clients Discontinued MAT	Enter the number of MAT clients—by sex —who voluntarily or involuntarily interrupted MAT therapy for 30 consecutive days during the reporting period.
Total Number of MAT Clients who have died as at the Reporting Month	Enter Number of MAT clients who died in the reporting period
1.6 HIV TESTING	
MAT06-51 Number of MAT Clients tested for HIV in the reporting Period 15 - 19 Years	For each age range, enter the number of each type of MAT Clients who received a HIV test during the reporting period. Source Kp Cohort Register.
MAT06-52 Number of MAT Clients tested for HIV in the reporting Period 20 - 24 Years	
MAT06-53 Number of MAT Clients tested for HIV in the reporting Period 25 - 29 Years	
MAT06-54 Number of MAT Clients tested for HIV in the reporting Period 30+ Years	
1.7 MAT Clients New-HIV Positive	
Number of MAT Clients HIV Positive in the reporting Period 15 - 19 Years	Enter the number of MAT Clients who tested HIV Positive in the reporting period disaggregated by age bands
Number of MAT Clients HIV Positive in the reporting Period 20 - 24 Years	
Number of MAT Clients HIV Positive in the reporting Period 25 - 29 Years	
Number of MAT Clients HIV Positive in the reporting Period 30+ Years	
1.8 Number of MAT Clients Started on ART both offsite & Onsite	
MAT Clients Started on ART 15 - 19 Year	For each age range, enter the number of MAT Clients started on HAART for treatment at this site within the reporting period.
MAT Clients Started on ART 20 - 24 Years	
MAT Clients Started on ART 25 - 29 Years	
MAT Clients Started on ART 30+ Years	
1.9 Number of MAT clients with Known HIV Positive Status	
Total Number of Active MAT clients HIV Positive as at the reporting Period 15 - 19 Years	Enter the Number of MAT clients living with HIV among the active population. The number of MAT clients with Known HIV Positive status before the reporting month
Total Number of Active MAT clients HIV Positive as at the reporting Period 20 - 24 Years	
Total Number of Active MAT clients HIV Positive as at the reporting Period 25 - 29 Years	
Total Number of Active MAT clients HIV Positive as at the reporting Period 30+ Years	
2.0 Total Number of MAT Clients Currently on ART both offsite and onsite	
MAT Clients Currently on ART 15 - 19 Years	Enter the number of MAT Clients who: 1. started therapy on site this month or 2. started therapy on site or off site before this month but made a visit to collect drugs this month or 3. started therapy on site or off site before this month but did not make a visit to the facility during this month because they had been given enough drugs during visits before this month to cover the reporting month. Note: Currently
MAT Clients Currently on ART 20 - 24 Years	
MAT Clients Currently on ART 25 - 29 Years	
MAT Clients Currently on ART 30+ Years	
2.1 Viral load tracking MAT Clients	
Viral load result in the last 12 months	Enter the total number of KPs reached living with HIV on ART with a VL result received within the last 12 months
Suppressed-< 200 copies	Enter the total number of KPs reached living with HIV on ART with a VL result received within the last 12 months with a VL value of less than 200 copies/ML
Suppressed-< 50 copies	Enter the total number of KPs reached living with HIV on ART with a VL result received within the last 12 months with a VL value of less than 50 copies/ML
2.2 Overdose MAT Clients	
Experienced overdose	Enter the number of PWID/PWUD who experienced overdose in the reporting period.
Received naloxone	Enter the number of PWID/PWUD who experienced overdose and received Naloxone in the reporting period.
Deaths due to overdose	Enter the number of deaths due to overdose in the reporting period.
2.3 Psychosocial Interventions	
Number Received Psychosocial Interventions	Enter number of MAT Clients who received either individual or group therapy sessions within the reporting period.
MAT06-83 Number Supported with Community Reintegration	Enter number of MAT clients supported with community reintegration.

MOH 731-6 Medically Assisted Therapy (MAT) REVISION September 2023

2.4 Violence prevention and Support	
Total Number who Experienced Violence Sexual Violence	Enter the number of people in each KP type who experienced violence in the reporting period column 74 & 75 of the cohort register.
Total Number who Experienced Violence Physical Violence	Enter the number of people in each KP type who experienced violence in the reporting period column 74 & 75 of the cohort register.
Total Number who Experienced Violence Emotional/Psychological	Enter the number of people in each KP type who experienced violence in the reporting period column 74 & 75 of the cohort register.
Total Number who Received violence support	Enter the number of people in each KP type who were supported by the programme when they experienced violence in the reporting period column 76 corhort register
2.5 Mental Health	
Number Diagnosed_MH	Enter the number of individuals in each KP type who were ediagonised with a Mental Health condition in the reporting period.
Number Treated within the Facility_MH	Enter the number of individuals in each KP type who were treated of Mental Health condition in the reporting period.
2.6 STI MAT	
Number Screened _STI	Enter the number of individuals in each KP type who were screened for STI in the reporting period column 56 of the cohort register.
Number Diagnosed with STI	Enter the number of individuals in each KP type who were diagnosed with STI in the reporting period column 57 of the cohort register.
Number Treated_STI	Enter the number of individuals in each KP type who were treated for STI in the reporting period column 58 of the cohort register.
2.7 HCV (Hepatitis C) MAT	
Number Screened_HCV	Enter the number of individuals in each KP type who were screened for HCV in the reporting period using the Antibody test column 47 of the cohort register.
Number Positive_HCV	Enter the number of individuals in each KP type who tested antibody positive for HCV in the reporting period and received a confirmatory test for HCV using PCR and receive HCV medication column 49 of the cohort register.
Number Treated_HCV	Enter the number of individuals in each KP type who tested PCR positive for HCV in the reporting period and received HCV medication column 49 of the cohort register.
2.8 HBV (Hepatitis B) MAT	
Number Screened_HBV	Enter the number of individuals in each KP type who were screened for HBV in the reporting period using the Antibody test column 47 of the cohort register.
Number Negative_HBV_Vaccinated	Enter the number of individuals in each KP type who tested Negative for HBV Using AntibodyTest and received HBV Vaccine in the reporting period.
Number Positive_HBV	Enter the number of individuals in each KP type who tested antibody positive for HBV in the reporting period and received a confirmatory test for HBV using PCR and receive HBV medication column 49 of the cohort register.
Number Managed_HBV	Enter total number of HBV cases currently under Management as at the reporting Period column 54 of the cohort register.
2.9 TB MAT	
Number Screened_TB	Enter the number of individuals in each KP type who were screened for TB in the reporting period
Number Diagnosed _TB	Enter the number of individuals in each KP type who were found positive with TB in the reporting period.
Number Started_TB RX	Enter the number of individuals in each KP type who were found positive with TB and started on treatment in the reporting period.
Number Issued_TPT	Enter the number of individuals in each KP type who were issued with TPT in the reporting period.
Number of TB clients HIV positive	This is the count of TB patients who are HIV Postive in each active KP type. Calculate and enter the sum of all those TB patients who were already HIV Postive at the time of TB diagnosis and TB patients diagnosed with HIV during the reporting month
Total number of TB Clients on HAART	This is the count of TB patients who are receiving ART in each KP type. Calculate and enter the sum of all those TB patients who were already on HAART at the time of TB diagnosis and TB patients diagnosed with HIV who are started on HAART during the reporting month.
3.0 PrEP MAT	
Number Initiated_PrEP	Enter the number of HIV negative persons in each KP type who have been started on PrEP during the reporting month after meeting the eligibility criteria for PrEP
Number Testing HIV_positive while on PrEP	Enter the number of people on PrEP in each KP type who tested positive for HIV in the reporting period
Number of PrEP users diagnosed with STIs	Enter the number of people on PrEP in each KP type who were diagonised with an STI in the reporting period
3.1 PEP MAT	
Number Exposed to HIV	Enter the number of MAT clients who reported that they were exposed to HIV within 72 hours of exposure
Number Receive PEP <72hrs	Enter the number of MAT clients who were initiated on PEP within 72 hours of HIV exposure

MOH 731-6 Medically Assisted Therapy (MAT) REVISION 2023			
1.0 EVER INDUCTED	Male	Female	Total
Number Ever inducted on _MAT			
Total Number of MAT Clients Ever Weaned off MAT			
1.1 MAT INDUCTION WITHIN THE REPORTING PERIOD			
Number Newly inducted on MAT in the Reporting Period 15 - 19 Years			
Number Newly inducted on MAT in the Reporting Period 20 - 24 Years			
Number Newly inducted on MAT in the Reporting Period 25 - 29 Years			
Number Newly inducted on MAT in the Reporting Period 30+ Years			
1.2 Currently on MAT Methadone			
Number Currently on Methadone 15 - 19 Years			
Number Currently on Methadone 20 - 24 Years			
Number Currently on Methadone 25 - 29 Years			
Number Currently on Methadone 30+ Years			
1.3 Currently on MAT(Buprenorphine)			
Number Currently on Buprenorphine 15 - 19 Years			
Number Currently on Buprenorphine 20 - 24 Years			
Number Currently on Buprenorphine 25 - 29 Years			
Number Currently on Buprenorphine 30+ Years			
1.4 WEANING OFF			
Number of Clients Weaned off Buprenorphine			
Number of Clients Weaned off Methadone			
1.5 MAT INTERRUPTIONS			
Number of Clients Discontinued MAT			
Total Number of MAT Clients who have died as at the Reporting Month			
1.6 HIV TESTING			
Number of MAT Clients tested for HIV in the reporting Period 15 - 19 Years			
Number of MAT Clients tested for HIV in the reporting Period 20 - 24 Years			
Number of MAT Clients tested for HIV in the reporting Period 25 - 29 Years			
Number of MAT Clients tested for HIV in the reporting Period 30+ Years			
1.7 MAT Clients New-HIV Positive			
Number of MAT Clients HIV Positive in the reporting Period 15 - 19 Years			
Number of MAT Clients HIV Positive in the reporting Period 20 - 24 Years			
Number of MAT Clients HIV Positive in the reporting Period 25 - 29 Years			
Number of MAT Clients HIV Positive in the reporting Period 30+ Years			
1.8 Number of MAT Clients Started on ART			
MAT Clients Started on ART 15 - 19 Year			
MAT Clients Started on ART 20 - 24 Years			
MAT Clients Started on ART 25 - 29 Years			
MAT Clients Started on ART 30+ Years			
1.9 Number of MAT clients with Known HIV Positive Status			
Total Number of Active MAT clients HIV Positive as at the reporting Period 15 - 19 Years			
Total Number of Active MAT clients HIV Positive as at the reporting Period 20 - 24 Years			
Total Number of Active MAT clients HIV Positive as at the reporting Period 25 - 29 Years			
Total Number of Active MAT clients HIV Positive as at the reporting Period 30+ Years			
2.0 Total Number of MAT Clients Currently on ART both offsite and onsite			
MAT Clients Currently on ART 15 - 19 Years			
MAT Clients Currently on ART 20 - 24 Years			
MAT Clients Currently on ART 25 - 29 Years			
MAT Clients Currently on ART 30+ Years			

MOH 731-6 Medically Assisted Therapy (MAT) REVISION 2023			
2.1 Viral load tracking MAT Clients			
Viral load result in the last 12 months			
Suppressed-< 200 copies			
Suppressed-< 50 copies			
2.2 Overdose MAT Clients			
Experienced overdose			
Received naloxone			
Deaths due to overdose			
2.3 Psychosocial Interventions			
Number Received Psychosocial Interventions			
Number Supported with Community Reintegration			
2.4 Violence prevention and Support			
Total Number who Experienced Violence Sexual Violence			
Total Number who Experienced Violence Physical Violence			
Total Number who Experienced Violence Emotional/Pyschological			
Total Number who Received violence support			
2.5 Mental Health			
Number Screened for Mental Health			
Number Diagnosed_MH			
Number Treated within the Facility_MH			
2.6 STI MAT			
Number Screened _STI			
Number Diagnosed with STI			
Number Treated_STI			
2.7 HCV (Hepatitis C) MAT			
Number Screened_HCV			
Number Positive_HCV			
Number Treated_HCV			
2.8 HBV (Hepatitis B) MAT			
Number Screened_HBV			
Number Negative_HBV_Vaccinated			
Number Positive_HBV			
Number Managed_HBV			
2.9 TB MAT			
Number Screened_TB			
Number Diagnosed _TB			
Number Started_TB RX			
Number Issued_TPT			
Number of TB clients HIV positive			
Total number of TB Clients on HAART			
3.0 PrEP MAT			
Number Initiated_PrEP			
Number Testing HIV_positive while on PrEP			
Number of PrEP users diagnosed with STIs			
3.1 PEP MAT			
Number Exposed to HIV			
Number Receive PEP <72hrs
